1 MS. ANSARI: As a preliminary matter, I am
2 providing the following information: An
3 independent certified court reporter is present
4 today to provide a verbatim transcript of this
5 interview.

6 To aid in the accuracy of the transcript,
7 it is the custom and practice of court reporters to
8 audio record the interview. The recording is the
9 confidential work product property of the court
10 reporter and will not be provided to any party
11 including the Office of Inspector General.

12 If you request, the audio recording will
13 be discontinued. So, Sergeant Franko, are you okay
14 with the court reporter audio recording this
15 interview?

16 THE WITNESS: Yes.

17 MS. ANSARI: Let the record reflect that
18 today's date is August 2, 2016. The time is
19 9:11 a.m. We are located at Amicus Court
20 Reporters, 300 West Adams, Suite 800.

21 My name is Sarah Ansari. The court
22 reporter is Angela Ingham, and I would ask that the
23 other individuals present identify themselves and
24 spell their name for the record.

1 MR. VALDEZ: Investigator Raul Valdez, R-a-u-l,
2 V-a-l-d-e-z, Inspector General's Office.

3 MR. PLEINES: Thomas Pleines, P-l-e-i-n-e-s,
4 counsel for Sergeant Franko.

5 THE WITNESS: Sergeant Stephen Franko,
6 S-t-e-p-h-e-n, F-r-a-n-k-o.

7 MS. ANSARI: There are no other individuals
8 present.

9 We are here today pursuant to an
10 investigation being conducted under Chapter 2-56 of
11 the Municipal Code of the City of Chicago. We are
12 here for an interview of Sergeant Stephen Franko.

13 Sergeant Franko, would you please raise
14 your right hand and the court reporter will swear
15 you in.

16 (Witness duly sworn.)

17 STEPHEN FRANKO,
18 called as a witness herein, having been first duly
19 sworn, was examined and testified as follows:

20 EXAMINATION

21 BY MS. ANSARI:

22 Q. So we are going to read the advisement of
23 rights again for our procedures.

24 Sergeant Franko, I'm now going to hand you

1 a form that is marked "Advisement of Rights." This
2 has already -- this will be filled in with my name
3 and Investigator Valdez's name. I'm going to ask
4 you to read along with me as I go through it, and
5 then I will ask you after each paragraph to
6 acknowledge the paragraph.

7 "I understand that this interview is part
8 of an official investigation and that I have a duty
9 to cooperate with the Office of Inspector General,
10 which includes answering all questions completely
11 and truthfully," do you understand?

12 | A. Yes.

13 Q. "I understand that I have no right to
14 remain silent. I understand that I have an
15 obligation to answer questions put to me
16 truthfully. I understand that if I refuse to
17 answer questions put to me, I will be ordered by a
18 superior officer to answer the questions. I
19 further understand and I have been advised that if
20 I persist in my refusal to answer after an order to
21 do so, such further refusal constitutes a violation
22 of the rules and regulations of the Chicago Police
23 Department and may serve as the basis for my
24 discharge," do you understand?

1 A. Yes.

2 Q. "I understand and have been advised that
3 my statements or responses may constitute an
4 official police report. I understand that Rule 14
5 of the Chicago Police Department's rules and
6 regulations prohibits making a false report,
7 written or oral, and I further understand that
8 making such a false report, whether written or
9 oral, may result in my separation from the Chicago
10 Police Department," do you understand?

11 A. Yes.

12 Q. "I understand that any statement made by
13 me during this interview may be used as evidence of
14 misconduct or as the basis for disciplinary action
15 up to and including removal or discharge," do you
16 understand?

17 A. Yes.

18 Q. "I understand that any statement made by
19 me during this interview and the fruits thereof
20 cannot be used against me in a criminal
21 proceeding," do you understand?

22 A. Yes.

23 Q. "I understand that I have the right to
24 have a union representative, or legal counsel of my

1 choosing, present at the interview to consult with,
2 and that I will be given a reasonable time to
3 obtain a union representative or legal counsel as
4 long as the interview is not unduly delayed," do
5 you understand?

6 A. Yes.

7 Q. "I understand that a refusal to answer any
8 questions, or any false, inaccurate, or
9 deliberately incomplete statement by me would
10 constitute a violation of Chicago Municipal
11 Ordinance Chapter 2-56, and may serve as the basis
12 for my discharge," do you understand?

13 A. Yes.

14 Q. "I acknowledge that this statement of my
15 administrative rights have been read aloud to me,
16 and I have been allowed to review this document,"
17 do you understand?

18 A. Yes.

19 Q. I'll ask that you please sign the
20 advisement of rights, Sergeant Franko, and I will
21 witness this and Investigator Valdez will also
22 witness the document; and for the record, I'm going
23 to cross out the waiver below since you brought
24 legal representation, and we will mark this as

1 Exhibit 1.

2 Counsel, do you have any statements you
3 would like to made for the record before we begin?

4 MR. PLEINES: I just want to state for the
5 record that Sergeant Franko and I are considering
6 this to be a continuation of the statement that he
7 previously gave in June. He understands that he's
8 still under a direct order to answer your
9 questions; and as the admonitions you just read
10 made clear, the statement is only under duress
11 because he's been given a direct order to answer
12 your questions.

13 BY MS. ANSARI:

14 Q. So before we begin, we're going to mark
15 the documents you were served with as exhibits to
16 get them on the record.

17 So I'm marking as Exhibit 2 a document
18 entitled "Notification of Interview" dated July 23,
19 2016. Have you seen this document, Sergeant
20 Franko?

21 A. Yes.

22 Q. Did BIA provide you with this document on
23 July 23, 2016?

24 A. Yes.

1 Q. Is your signature at the bottom of this
2 document?

3 A. Yes.

4 Q. Marking as Exhibit 3, "Notification of
5 Allegations," dated July 23, 2016, have you seen
6 this document?

7 A. Yes.

8 Q. Did BIA provide you this document on
9 July 23, 2016?

10 A. Yes.

11 Q. Is that your signature on the bottom of
12 the page?

13 A. Yes.

14 Q. Marking as Exhibit 4 a document entitled
15 "Receipt Form" dated July 23, 2016, have you seen
16 this document?

17 A. Yes.

18 Q. Did BIA provide you with this document on
19 July 23rd?

20 A. Yes.

21 Q. Is that your signature at the bottom of
22 the page?

23 A. No signature on this one. This is the
24 case report.

1 Q. Oops, sorry. So Exhibit 4 is an original
2 case report. It's not the receipt. You received
3 this document, correct?

4 A. Yes.

5 Q. Okay. So Exhibit 5 is the receipt form,
6 and that's dated July 23, 2016. Have you seen this
7 document?

8 A. Yes.

9 Q. And did BIA provide you with this document
10 on July 23rd?

11 A. Yes.

12 Q. Is that your signature at the bottom of
13 the page?

14 A. Yes.

15 Q. Okay. In addition to the materials we
16 provided you, did you review any other materials in
17 preparation for this interview?

18 A. No.

19 Q. Did you speak with anyone in preparation
20 for this interview besides your attorney?

21 A. No.

22 MS. ANSARI: Counsel, may we provide the
23 transcript of this interview within 72 hours of
24 receipt?

1 MR. PLEINES: Yes, that would be fine.

2 BY MS. ANSARI:

3 Q. And do you have any other prepared remarks
4 that you would like to make before we get into the
5 substance of the interview?

6 A. I again want to preface this statement by
7 saying that I am not giving this statement
8 voluntarily but only under duress. I have received
9 a direct order from Commander Klimas directing me
10 to answer your questions. I have been informed
11 both orally and in writing that if I disobey that
12 order I will be fired from my job.

13 I also want to renew my objection to the
14 delay in this matter. This shooting took place
15 almost 20 months ago. This delay is prejudice to
16 my ability to recall all of the details of my
17 actions and movements so that I can properly defend
18 myself.

19 BY MS. ANSARI:

20 Q. Sergeant Franko, for the record, can you
21 please state your star number and your current unit
22 of assignment?

23 A. My name is Sergeant Stephen Franko,
24 F-r-a-n-k-o, Star No. 1537, assigned to the First

1 District.

2 Q. And on October 20, 2014, what was your
3 star number, and what district were you assigned
4 to?

5 A. My star number was 1381. I was assigned
6 to the Eighth District.

7 Q. Okay. Sergeant Franko, can you please
8 turn to Exhibit 4, the original case incident
9 report. So as background, what is an original case
10 incident report?

11 A. An original case report is the report
12 that's prepared to document any incident that
13 occurs on the street. It's prepared by the --
14 usually the first responding unit or the assigned
15 unit, and they document the preliminary facts as
16 gathered.

17 Q. Okay. Can you walk us through the process
18 for completing one of these reports, kind of how
19 does it get decided -- kind of starting with how
20 does it get decided who even is doing it through
21 the final signatures?

22 A. What usually occurs is OEMC assigns a car
23 to a job. When you're given the assignment, you
24 are the responsible paper car.

1 So from that point on when you arrive on
2 scene, you gather as much information as you can,
3 and then you prepare an original case report, which
4 includes obtaining an RD number, which at that
5 point that allows later on down the road a follow-
6 up investigation because every original case report
7 gets followed up by a detective division member.

8 Q. Okay. So is this the first document that
9 kind of creates the RD number?

10 A. Yes. This is the thing that starts it all
11 to allow everybody else to do a supplement to
12 that -- supplementary report to that original RD
13 number.

14 Q. So when you said, in terms of who
15 completes it, it's the paper car, whoever is kind
16 of responding to the incident?

17 A. Correct. It's the initial assigned car.
18 There are instances where it can be given to
19 another car. It just depends on the situation and
20 what's going on at that incident.

21 Q. Okay. And what is the review chain for
22 this kind of a report?

23 A. The original case report would in most
24 cases be approved by the sergeant that is assigned

1 to that car -- or that the car is assigned, too.

2 Q. So if a car under your supervision was
3 filling one out, then it would be you who is
4 signing it, correct?

5 | A. Most likely, yes.

6 Q. And are you the -- or is it usually a
7 sergeant who is the one?

8 MR. PLEINES: Is it usually a sergeant what?

9 BY MS. ANSARI:

10 Q. When I asked who the ultimately approver
11 is, that's usually a sergeant, correct?

12	A. Correct.
----	-------------

13 Q. Okay. And is there anyone above a
14 sergeant who reviews the report?

15 A. It would be reviewed, but the ultimate
16 approval comes from the front-line supervisor,
17 which in this case is a sergeant.

18 Q. Okay, got it.

19 Does the detective assigned to a case
20 generally also look at this report before it's
21 finalized?

22 | A. It would depend on --

23 MR. PLEINES: You were a detective, were you
24 not?

1 THE WITNESS: Yes.

2 MR. PLEINES: Answer on the basis of your own
3 experience.

4 THE WITNESS: Most cases, no.

5 BY MS. ANSARI:

6 Q. Okay. And then after it's finalized the
7 detective -- would the detective eventually end up
8 looking at it because it's in the file?

9 A. Yes.

10 Q. So for this specific report -- we'll get
11 away from the general questions -- I'll give you
12 time to take a look if you need to, but who
13 prepared this report?

14 A. The reporting officer on this case was
15 Officer Dora Fontaine.

16 Q. Now, why was she the reporting officer
17 considering in this situation, the October 20th
18 incident, she wasn't, I wouldn't consider, the kind
19 of initial assigned car? Can you explain kind of
20 how that happened?

21 A. Eventually after all the events unfolded,
22 there needed to be a case report prepared, so
23 somebody would have been assigned who was on scene.
24 I do not remember or recall exactly how 841 Robert,

1 which is the beat of Officer Fontaine -- I don't
2 know how they were given the actual assignment.

3 The way the job came out, it wasn't a job
4 given by OEMC. There was already a car that was
5 assigned to the incident which unfolded into what
6 it became.

7 So I don't know at that point who
8 reassigned it to 841 Robert or assigned it to them
9 to do the report. I don't recall, you know,
10 exactly how that was done.

11 Q. Okay. So you did not direct Officer
12 Fontaine to complete this report?

13 A. To the best of my knowledge, I don't
14 remember assigning her. It's been so long ago, and
15 there was a lot going on. I don't remember the
16 exact events that night.

17 Q. Okay. And you said you don't know who did
18 assign her, or you're not sure?

19 A. I'm not sure.

20 Q. Did you speak with Officer Fontaine at all
21 as she was preparing this report?

22 A. From looking at the -- at the time it was
23 submitted, I probably spoke to her early on about
24 some preliminary information; but as the night was

1 going on, I had nothing to do with the
2 investigation, so the next time I would have seen
3 it was when I was ordered to approve the case
4 report.

5 Q. Okay, got it.

6 Do you recall providing her any
7 information to actually include in this report?

8 A. I don't specifically recall anything. The
9 only thing I could have given her were some general
10 information, address, maybe time, things like that.

11 I had nothing to do with the actual
12 investigation, and I wouldn't have been able to
13 provide her with anything regarding, you know, that
14 part of it.

15 I don't even -- you know, in the area with
16 the support services and the other units, I really
17 had nothing to do with anybody, you know, recording
18 that on scene.

19 (Whereupon, a discussion was had
20 between Mr. Pleines and the
21 witness.)

22 THE WITNESS: And additionally, any information
23 that she would have gotten from me that night was
24 also available to anybody else who was part of the

1 investigation. It was general knowledge.

2 BY MS. ANSARI:

3 Q. Okay. Do you know who she might have
4 gotten a lot of the information that's in the
5 report from?

6 A. I don't know specifically. In my time as
7 a detective I do know that it's a collaboration of
8 everybody who was on scene coming together and
9 giving her information that was gathered; and it's
10 her job to, as best she can, summarize the
11 information in a preliminary format to move forward
12 with further investigation.

13 Q. Okay. And so as a general matter with a
14 police-involved shooting, would this be the kind of
15 report where the reporting officer would get a lot
16 of information from the detective, detective or
17 detectives?

18 A. Yes, detectives and other officers on
19 scene including other supervisors. It's just a
20 collaboration of everything.

21 Q. And so do you recall was it kind of a
22 situation where Officer Fontaine was walking around
23 and just gathering as much information as she
24 could? Do you recall that specifically and -- do

1 | you recall that specifically?

2 A. I remember when she was in the area when
3 we were doing everything that she was, you know,
4 involved with a lot of different people,
5 specifically the detectives.

6 When the superior officers got to the
7 scene and relieved me of basically my role in the
8 matter, I was out of it and just there as a support
9 role for anything they needed. So I didn't have
10 anything to do with the investigation or the
11 gathering of information or the reporting of any
12 information.

13 Q. Okay. So on the last page, on Page 4, it
14 lists Detective March as detective investigator and
15 a date October 21, 2014, 1501?

16 MR. PLEINES: Spell the name, please.

17 MS. ANSARI: March, M-a-r-c-h.

18 MR. PLEINES: Okay. You don't mean Marsh?

19 MS. ANSARI: No, sorry, March.

20 BY MS. ANSARI:

21 Q. Does this mean that Detective March was
22 responsible for doing any kind of review or
23 approval of this report?

24 | A. There wouldn't have been a review -- or

1 approval, I mean, because that would only be me.

2 I'm not sure what his name being here means.

3 I don't usually prepare any reports, and
4 the last time I actually did a report was paper.
5 I'm not familiar with the era of reporting system
6 as far as entering information or checking boxes.
7 That could be that he was notified or could be that
8 he had something else to do with it. I wouldn't
9 have, you know, knowledge about whether he did or
0 didn't.

11 Q. Okay. But you said that you were
12 responsible for approving this report, correct?

13	A. Correct.
----	-------------

14 Q. Did you review this report before you
15 approved it?

16	A. Yes.
----	---------

17 Q. Do you recall at what time you first saw
18 it? I mean, I see here that the time of the -- it
19 looks like the approval was October 21 -- the date
20 is October 21, 2014, and the time is 5:18 a.m.
21 Would you have first seen the report around that
22 time?

23 | A. Yes.

24 Q. Okay. And did you review this report

1 | before it was finalized?

2 A. Yeah. It's time stamped in the system
3 when it would be submitted and then approved; so,
4 yeah, that would probably be around the time that I
5 first laid my eyes on it.

6 Q. Okay. Did you review the whole report
7 before you approved it?

8 A. I took a quick look at it. They wanted to
9 get the RD generated, so I was told to approve it.

10 Q. Okay. If you turn back to Page 1.

11	A. Yes.
----	---------

12 Q. This report characterizes Van Dyke as
13 injured by offender under "Injuries" where the
14 offender is McDonald. Did you review and approve
15 that statement?

16 A. To be honest with you, I overlooked this.
17 When it was brought to my attention, that was the
18 first time that I saw that box in there.

19	Q. Okay.
----	----------

20 A. Not being part of the investigation, if I
21 would have seen it, I don't even know if I would
22 have said anything because I don't know if he was
23 or was not injured, and there was nothing at that
24 point for me to question anything to whether or not

1 | he was.

2 Q. You said you didn't know whether or not
3 Van Dyke was injured that night?

4 A. I did not know. I had a very brief
5 conversation with him when it first occurred; and
6 after that, I really had nothing to do with the
7 investigation. So, you know, if he had turned his
8 ankle, anything else would have happened that would
9 have caused injury to him I was not aware of that
10 night.

11 Q. Okay. But you did talk to him that night
12 at the scene, correct?

13 A. Yes, briefly.

14 Q. And he didn't indicate that he had been
15 injured --

16	A. No.
----	--------

17 Q. -- correct? Okay.

18 Did anyone else indicate to you that he
19 might have been injured?

20	A. No.
----	--------

21 Q. Did you direct Officer Fontaine to include
22 "injured by offender" in the report?

23	A.	No.
----	----	-----

24 Q. Do you have any idea why she included that

1 walking and then when the shooting occurred.

2 Q. Okay. And you said your conversation with
3 Van Dyke at the scene was brief, correct?

4	A. Correct.
---	-------------

5 Q. Okay. Do you stand by the accuracy of
6 that statement, that Van Dyke was injured by
7 McDonald?

8 A. I can't stand by it because I wasn't part
9 of the investigation.

10 Q. If -- so this is a general thing. If
11 there's an original case incident report and as
12 you're approving it you believe there's information
13 in it that's incorrect, what are the steps to take
14 to correct that information?

15 A. Generally if I think that there's
16 information in there that needs to be corrected, I
17 would reject the report, along with some comments;
18 and generally the officer, if they had any more
19 questions, would ask me. But the comments I
20 usually would provide in there would be enough for
21 them to understand what they need to correct, but
22 it's not unusual to actually have a conversation
23 also.

24 Q. And if there's anything after the fact --

1 say you approve a report and you realize later that
2 there's information in it that's incorrect. Is
3 there a mechanism to correct the report after it's
4 been approved?

5 A. There's no way to walk the actual report
6 back after it's been approved. There's a short
7 time frame where I think you can -- the approving
8 sergeant can pull it back, but then it eventually
9 goes into the system to be -- which is the CHRIS
10 system then to be printed out.

11 Q. And you said you weren't made aware of
12 this "injured by offender" language until we served
13 you with the documentation --

14 A. Correct.

15 Q. -- on July 23rd?

16 A. That's the first time I noticed it, yes.

17 MS. ANSARI: Do you have any follow-up
18 questions on this report?

19 MR. VALDEZ: No.

20 BY MS. ANSARI:

21 Q. Okay. So we are going to move on to some
22 follow-up questions from your past interview. Do
23 you guys want to take a break or anything?

24 MR. PLEINES: Are you good?

1 A. Okay.

2 Q. Where it says, "Number of officers
3 battered, 3," in your first interview you explained
4 that in this kind of a situation where it says,
5 "Number of officers battered" that you have to put
6 something in because it doesn't say assaulted or
7 battered but at a later time the officer is
8 supposed to explain that he means assaulted? I'm
9 putting words in your mouth, so I just want to get
10 a better explanation of kind of what that...

11 MR. PLEINES: Can we go off the record for a
12 moment?

13 MS. ANSARI: Sure.

14 (Discussion had off the record.)

15 BY MS. ANSARI:

16 Q. Back on the record, it's 9:39 a.m.

17 So, Sergeant Franko, as we were saying, in
18 your last interview you explained that after the
19 fact officers -- there might be a situation where
20 you have to clarify something in the TRR form
21 related to the number of officers battered and it
22 should really be assaulted. Can you clarify how
23 that works, if really it's an assault and not a
24 battery what should be done to clarify that?

1 A. I don't have the actual knowledge of what
2 happened in this instance.

3 Q. Yes, in general.

4 A. But in general, this report would be
5 filled out in any case where there was a murder,
6 aggravated battery, battery, aggravated assault, or
7 assault while in the performance of a police
8 officer's duties. That's the only time this
9 additional report, the officer's battery report,
10 would be filled out in conjunction with the
11 tactical response report.

12 There is no place that I know of on here
13 where they could say that they were assaulted
14 versus battered. It says specifically battered.

15 And I know in other cases when there has
16 been -- officers were assaulted, we would put the
17 same number in there even though they weren't
18 battered so that you could follow up on it at a
19 later point to let them know that there were --
20 that the reason why we're doing this report -- if
21 we put zero, then why are we doing this report?

22 So there probably should be an additional
23 box on the form that said battered -- assaulted or
24 battered, assaulted. But if we put zero, then

1 there would be no reason to do an officer's
2 battered report. So it's sort of a way to verify
3 that we are doing this because we have officers who
4 were battered/assaulted.

5 Q. And so when after the fact is it
6 clarified; and is there an actual, like, written
7 form or some kind of procedure?

8 A. I don't know. Everything on this report
9 says battered, battered, if you look at it. So
10 even though the instructions say we can use this
11 when there's assault, it also -- I think it was
12 just an omission when they did the report to not
13 include that in.

14 But this is always used when there's just
15 an assault also, so it gets confusing because now,
16 if we do "Type of Assignment When Battery
17 Occurred," well, there wasn't a battery, it was an
18 assault. Does that mean we don't fill these out?
19 But this is important information pertinent to the
20 report.

21 So we go with the assumption that if the
22 report is needed then we would go with, you know,
23 assault or battery. It doesn't matter. If it
24 needs this report, we fill the boxes in accordingly

1 to the instructions.

2 Q. Okay.

3 A. And, again, that's just a general answer
4 based on my experience.

5 Q. Yes, a general --

6 A. Not specific to this case.

7 Q. Yes, I am asking generally.

8 (Whereupon, a discussion was had
9 between Mr. Pleines and the
10 witness.)

11 BY MS. ANSARI:

12 Q. So I'm now going to show you a portion of
13 the video that was recovered from the in-car video
14 system of B813R. This is one of the videos that we
15 provided to you in preparation for your first
16 interview.

17 Raul is going to open the VLC media file
18 titled "Video_TS.IFO" on his laptop. The file
19 contains six minutes and five seconds of footage.
20 The video has also a time stamp on it indicating
21 the date and time the video was recorded. We're
22 going to advance the video to the portion time
23 stamped 9:57:22. The VLC media player time bar
24 will be at...

1 MR. VALDEZ: We'll find out where it's going to
2 be right now. You said 9:57:22 is where you want
3 it? We'll start at 9:57 if that's okay.

4 MS. ANSARI: Yes, that's fine.

5 BY MS. ANSARI:

6 Q. So the time stamp on the VLC media is at
7 412. So we're going to watch this all the way
8 through once from here to after the shooting, and
9 then we'll go back and ask you a couple of
10 questions.

11 A. Sure.

12 Q. Okay. We can stop here, and we're
13 stopping at 451.

14 So, Sergeant Franko, I would like to turn
15 back to the tactical response report, Exhibit 6.
16 So in the tactical response report under "Assailant
17 Battery," "Attack With Weapon" is checked. I want
18 to go back through the video and ask in your
19 opinion where you think the attack with weapon
20 happened, and just tell us to stop, and we'll kind
21 of try and clear that up for the record.

22 MR. PLEINES: We're going to need to take a
23 break.

24 MS. ANSARI: Take one now? Sure. It is 9:45.

1 (Short recess was taken.)

2 MS. ANSARI: We can go back on the record. It
3 is 9:49 a.m. Angela, can you read back the last
4 question?

5 (Record read as requested.)

6 MR. PLEINES: Are you ready?

7 MS. ANSARI: Yes.

8 THE WITNESS: I just want to preface before we
9 get into this are you asking my opinion from what I
10 thought that night or my opinion from what I think
11 now after I've reviewed all the video and have seen
12 the footage in its entirety?

13 BY MS. ANSARI:

14 Q. Both. So we can do that in two parts.

15 A. Okay.

16 MR. PLEINES: As much as that is possible.

17 THE WITNESS: Right.

18 MS. ANSARI: Right.

19 MR. VALDEZ: Let me know when you want me to
20 pause.

21 MR. PLEINES: Can you slow it down?

22 MR. VALDEZ: Yes, I can.

23 MS. ANSARI: We can play it in half time.

24 MR. PLEINES: And if there's a spot in this

1 slowed version, that's fine. If not, we'll go back
2 to normal speed.

3 THE WITNESS: Okay. Maybe I can clear things
4 up a little bit, too, with the two different
5 opinions is the night of I had very limited
6 information because I wasn't part of the
7 investigation.

8 The video I did see was just from bits and
9 pieces walking around in the office. I didn't see
10 enough of it to have a strong opinion one way or
11 another, and I relied on the investigators that
12 night to make their determination.

13 MS. ANSARI: Okay.

14 MR. PLEINES: Since that time?

15 THE WITNESS: Since that time when I've had a
16 chance to review it, I do have an opinion on it.

17 BY MS. ANSARI:

18 Q. Okay. So I'll go through each of my
19 questions relating to the report --

20 | A. Okay.

21 Q. -- and if the answer is the same regarding
22 what your opinion was that night, just let me know,
23 and then we'll go through what your opinion is.

24 So now we're playing it on half speed.

1 A. Right. Now at this time I do want to also
2 clarify that he is an assailant at this point based
3 on his activities with 815 Robert's vehicle, attack
4 with the knife, and he's got the knife in his hand
5 right now, in his right hand.

6 (Whereupon, a discussion was had
7 between Mr. Pleines and the
8 witness.)

9 THE WITNESS: Yeah, that's the term that we use
10 in the use of force model is assailant.

11 BY MS. ANSARI:

12	Q. Okay.
----	----------

13 A. Now the part that I was -- I guess ask a
14 question first and then I'll...

15 Q. In your opinion at the time where was the
16 attack with weapon on the video?

17 A. The night of, I was provided with the same
18 information everyone else was that Lequan McDonald
19 was attacking, attempting to stab the officers with
20 the knife.

21 So based on everything that was given to
22 me and that was provided to me through the
23 investigators, that was my impression was that he
24 had a knife, he was attacking -- or approaching the

1 officers in a threatening way, which would still be
2 an attack, and Officer Van Dyke fired until, you
3 know, the threat was no more.

4 Q. Okay. So from that night, your
5 understanding was that Officers Walsh and Van Dyke
6 were also attacked with a weapon, not just Officer
7 Gaffney?

8 A. Correct. The attack would be coming at
9 somebody with a knife. You're a victim of an
10 aggravated assault.

11 Q. Okay. And so that opinion was formed from
12 talking to people at the scene, not from the video?

13 A. I didn't see the video in its official
14 capacity. So to make my decision based on bits and
15 pieces that I did see wouldn't have been fair. It
16 was about everything that was given to me and that
17 I learned through being there that night that I
18 believed it was an assailant with a knife coming at
19 the officers and the officers fired -- or Officer
20 Van Dyke fired his weapon.

21 Q. Okay. So now your opinion, what is your
22 opinion where the attack with the weapon is, now
23 having the benefit of seeing the video in its
24 entirety?

1 MR. PLEINES: Describe it.

2 BY MS. ANSARI:

3 Q. And we can go back now --

4 A. This comes -- this brings our training
5 into account. We were trained when I went through
6 the academy that anytime there is an assailant who
7 has a knife -- and it was proven in the training
8 classes -- that you do not have time within 7 paces
9 or 21 feet to pull your weapon out and eliminate
10 the attack with your gun if you still had it
11 holstered.

12 So when somebody with a knife is within
13 21 feet of you, you better have your weapon out and
14 ready to go because he could kill you with that
15 knife or your partner or anybody else within that
16 distance.

17 So in perspective with the lane markers,
18 the lines, the width of what -- you know, eight to
19 ten feet, I don't know how wide officially it was
20 there, he could be two paces, maybe less, away from
21 being on top of Van Dyke or his partner.

22 Q. Okay. And that's --

23 A. You'll see. And then there's going to be
24 a moment where he takes his left foot, and he kind

1 of stutter steps towards Van Dyke and Walsh.

2 Q. Okay. Let me know where you kind of see
3 that.

4 MR. VALDEZ: Just for the record, the VLC media
5 player is at 4 minutes and 35 seconds, and we're
6 going to replay the video.

7 THE WITNESS: No, it's after he takes the knife
8 out and he puts it like right there. It's coming
9 up. Now, right now it appears that he's walking
10 away from the car; but if you play it, now as he's
11 coming close to them, he's still -- at some point
12 he's going to be less than ten feet away. Watch
13 his left foot.

14 Okay. As he's walking there, the distance
15 between Van Dyke and the officers, from what I
16 could tell, is probably six feet or less, even
17 though he's walking sideways.

18 No, it would have been before that. The
19 way he's bouncing with his stride, he's got a knife
20 in his hand, it would have only taken a brief
21 moment for him. Yeah, keep going.

22 MS. ANSARI: Now we're at kind of 442, 443.

23 MR. VALDEZ: And I can go frame by frame.

24 THE WITNESS: Yeah, let's go frame by frame.

```
1 | Now you can see the distance here.  It's one lane
2 | line, one lane.
```

3 MR. PLEINES: One lane of traffic?

4 THE WITNESS: Right, one lane of traffic. He's
5 got a knife in his right hand, and you have
6 Van Dyke with his weapon, looks like it's extended
7 out. It's hard to see with the light, but he's got
8 his weapon in his hand. Now his foot is still left
9 to the line.

10 MR. VALDEZ: So we're at 444 on the VLC media
11 player and I'm just going to --

12 THE WITNESS: Yeah, could you just play it in
13 real time?

14 MR. VALDEZ: Sure.

15 THE WITNESS: I didn't have the benefit of this
16 slowed-down version when I was watching it, so my
17 perspective wouldn't be the same.

18 The way he's walking where he's bouncing
19 up and down, not our normal gait. It's the
20 bouncing up and down as he's walking. At that
21 point is he going to bounce left, is he going to
22 bounce right?

23 He's extremely close. Yeah, he's got the
24 weapon out. He's an assailant. He's close enough

1 where if he takes two steps to the left he could be
2 on Van Dyke before Van Dyke even has a chance to do
3 anything about it.

4 BY MS. ANSARI:

5 | Q. Okay.

6 A. It's absolutely my opinion that he was an
7 assailant and he was a threat to both officers, and
8 the way he was acting erratically and bouncing that
9 he easily could have went towards him, and at that
10 point one or two officers could possibly have been
11 stabbed.

12 Q. Okay. You mentioned something about --
13 it's called a 21-foot rule, correct?

14 A. Yes. That's how it was when I was
15 trained, when I went through the academy.

16 Q. So you were trained in that in --

17 A. Yes. We actually had scenarios --

18 MR. PLEINES: Let her finish.

19 THE WITNESS: Sure.

20 BY MS. ANSARI:

21 Q. So at the academy you were trained on the
22 21-foot rule, correct?

23	A. Correct.
----	-------------

24 Q. And can you -- I know you repeated it

1 work or when it would be on TV and we would see it,
2 just those kinds of conversations.

3 Q. So not in relation to kind of what was
4 being investigated?

5 A. No.

6 Q. And not that night?

7 A. No.

8 Q. So just kind of after when this all came
9 out in the media discussing that?

10 A. Correct.

11 MS. ANSARI: Okay. Do you have any follow-up
12 on that?

13 MR. VALDEZ: Yes.

14 EXAMINATION

15 BY MR. VALDEZ:

16 Q. Just in relation to the 21-foot rule, that
17 evening do you recall any discussions of the 21-
18 foot rule?

19 A. I didn't have anything to do with the
20 investigation. I have no idea if it was brought
21 up. Not anything that had to do with me.

22 Q. How about anything that you overheard
23 possibly maybe at area central, anything along
24 those lines?

1 A. Nothing official, no. It was just talk of
2 he was real close to him and he had the knife.

3 Q. Right. And I understand nothing official,
4 and that's kind of what I'm getting at. Like maybe
5 in passing or something that you overheard?

6 A. No. It was just that he was very close to
7 them and he had a knife.

8 Q. And was any of that conversation in
9 relation to the 21-foot rule specifically or just
10 distance in general?

11 A. I believe it was just distance in general,
12 that -- you know, how close he was to the officer's
13 proximity.

14	Q. Okay.
----	----------

15	FURTHER EXAMINATION
----	---------------------

16 BY MS. ANSARI:

17 Q. Was Van Dyke part of any of those
18 conversations when people were talking about it
19 that night?

20	A. No.
----	--------

21 Q. Because he was kind of separated from
22 everyone is my understanding?

23	A. Correct.
----	-------------

24 Q. So do you have any questions for us or

1 anything to add based on what we've asked today or
2 in your previous interview?

3 EXAMINATION

4 BY MR. PLEINES:

5 Q. I want to ask you a question to try to
6 clarify.

7 The responsibilities of the paper car
8 versus the sergeant when responding to an incident,
9 if an assignment comes out over the police radio
10 system of, let's say, a burglary, who is that job
11 going to be given to?

12 A. It's going to be given to the car who was
13 assigned the job in their sector.

14 Q. Right.

15 A. Or their beat depending on which car is
16 available but they generally have beat integrity,
17 so it's going to be somebody who is assigned to
18 that area.

19 Q. And a sergeant may or may not also be sent
20 on that call, correct?

21 A. Correct.

22 Q. Do sergeants do preliminary
23 investigations?

24 A. No.

1 Q. Whose responsibility is it to do a
2 preliminary investigation?

3 | A. The beat officer assigned to the job.

4 Q. And they're also the ones who you referred
5 to as the paper car?

6	A. Correct.
---	-------------

7 Q. So they write out the original case
8 report?

9 | A. Yes.

10 Q. And your role as the sergeant in
11 relationship to that case report is just to approve
12 it?

13	A. Correct.
----	-------------

14 Q. And what does your approval mean or
15 constitute?

16 A. My approval means that all the information
17 that is on there -- making sure that the pertinent
18 boxes are filled. The information that's provided,
19 by not being on scene, I am taking the word of the
20 officers that were there that it's true and
21 accurate; and after I review the entire document, I
22 will give it my approval.

23 Q. So in your mind and based upon your
24 training and experience, when you approve a report,

1 are you verifying its accuracy?

2 A. There's no way I can verify with 100
3 percent that it's accurate.

4 Q. That's all I wanted.

5 MS. ANSARI: Okay. This concludes our
6 interview. It is 10:03 a.m.

I understand that I have no right to remain silent. I understand that I have an obligation to answer questions put to me truthfully. I understand that if I refuse to answer questions put to me, I will be ordered by a superior officer to answer the questions. I further understand and I have been advised that if I persist in my refusal to answer after an order to do so, such further refusal constitutes a violation of the Rules and Regulations of the Chicago Police Department and may serve as the basis for my discharge.

I understand and have been advised that my statements or responses may constitute an official police report. I understand that Rule 14 of the Chicago Police Department's Rules and Regulations prohibits making a false report, written or oral, and I further understand that making such a false report, whether written or oral, may result in my separation from the Chicago Police Department.

I understand that any statement made by me during this interview may be used as evidence of misconduct or as the basis for disciplinary action up to and including removal or discharge.

I understand that any statement made by me during this interview and the fruits thereof cannot be used against me in a criminal proceeding.

City ordinance, and if applicable, collective bargaining agreements, provide that you are entitled to notice of the nature of the allegations against you and the identity of all complainants prior to any interview. Accordingly, you are advised as follows:

COMPLAINANT(S)

1. John J. Escalante, Interim Superintendent of Chicago Police Department, sent a letter to the City of Chicago Office of Inspector General (OIG) dated January 13, 2016, requesting that OIG conduct an administrative investigation of the following allegations arising out of the October 20, 2014 shooting death of Laquan McDonald (the McDonald Shooting): "whether any officer(s) made false statements on official reports submitted in connection with the shooting of Laquan McDonald on October 20, 2014; whether any officer(s) obstructed or interfered with the investigation of this incident, either individually or in collusion with others; and whether any officer(s) committed any violation of Chicago Police Department rules, policies, or orders in connection with their response and/or handling of this matter." Escalante attached to the letter a copy of Sergeant S. Soria's (Star # 2275) Initiation Report, which raises similar allegations of misconduct with respect to Department members in connection with the McDonald Shooting, and identified that Report as a basis for OIG's administrative investigation.

ALLEGATION (S)

3. On or about October 20, 2014 or October 21, 2014, you assisted Officer Fontaine in the drafting of a false OCI Report concerning the McDonald shooting.
4. You were incompetent in the performance of your duties in the ways enumerated in allegations 1 through 3.
